## ACTIVITIES COMMITTEE ~ COMMITMENT FORM 11-12

The Mission of Germantown Youth Futures Activities Committee is to plan FUN activities for youth (in grades 6-12), as an alternative to drugs, alcohol, and smoking. We also try to prevent youth violence, help our youth make informed decisions, and volunteer our time to fund raise money for our activities and programs.

All youth who commit to being a part of the Activities Committee should attend a training session. Training consists of a one day team building session - to be announced. In addition, there will be Activities Committee meetings usually held on Wednesday evenings once per month (Feb - April meetings will be twice per month due to the lock-in). We communicate via email a lot, so please give us an email address you can be reached at.

Every youth member will need to sign this commitment form each year. For **returning members** this form is **due on or before the Recruitment Event in September**. For **new members** the form is due by the **next scheduled meeting date after you join**.

**Please read and sign the following if you intend to participate in the Germantown Youth Futures Activities Committee.**
