SNACK ASSIGNMENT FOR JUNE MEETING: Ben H. and Billy

LOCK-IN EVAL: Put successful game down movie hallway, 303 in attendance – down about 90 kids! Wished they would have down announcements on loud speaker, dodgeball tourney sportsmanship was out of hand – look at the rules, more refs on each court, revise what the parents should be doing in there to help, Silly string set up – still tough job, possibly get portable canopy's or Styrofoam to fit the ceiling. Concessions – wish we had M & M's. Soda Ring Toss was done at 9:20 p.m., Silly String ceiling came down at 9:30, it lasted until 10:00 pm (decorated boxes were awesome), we had 2 whole cases of silly string left. Donuts went good, right amount ordered. We had quite a few milks left over from milk chug. We need lots of hair art color for next year. Tattoo's went over good – esp. the sparkly ones. Chaps loved the popcorn and water again – having the survey in the chap packet did not work, no one filled it out. Sub order went great. Kids going to get the ticket boxes for counting went great. Add 2:30 – 5:30 pm time for chaperones to help set up – the 3 that were there did a great job. Joe could of used help setting up Wii and DJ stuff – the high schooler who helped set up the Wii did a GREAT job – he did it almost by himself. Need different system for the inventories – they seem to disappear. Patti do up a list for things that can stay in Rec Van to come back to office at end of night. **AS A THANK YOU WE HAD A PIZZA PARTY AND GAVE AWAY INFLATABLES!** Congrats to Lexi and Amy Drewek who had got the most chaperones and won the night stay at TimberRidge.
